*“Take Courage,” based on Matthew 14:22-33*

## **Litany**

By Hayley Daubert

One: When we are scared - like a child lost in a crowd, trying to find the familiar face of a parent...

**Many: Look to Jesus and take courage in your life.**

One: When we are nervous - like a new student's first day, finding our way to success in a new place...

**Many: Look to Jesus and take courage in your life.**

One: When we are confused - like the disciples, who listened to Jesus' instructions in the boat...

**Many: Look to Jesus and take courage in your life!**
