Call to Worship

By Ruth Ritchey Moore

One: Just like Martha, we have many things to do.

All: God, let us focus on you.

One: Just like Martha, we can feel the weight of responsibility on our shoulders.

All: God, let us focus on you.

One: Just like Martha, we can feel resentful of others.

All: God, let us focus on you.

One: Just like Martha, we can see injustice in the world.

All: God, let us focus on you.

One: Just like Martha, we are completely loved by God!

All: God, let us focus on you!
