“Worried and Distracted,” based on Luke 10:40-42

Offertory Prayer

By Becky Ullom Naugle

God of unexpected visits and challenging hospitality, we dedicate this offering to the care of your children and your beautiful creation in which we dwell. May the ministries enabled by these gifts touch the lives and hearts of many. Decrease our human tendency to judge and increase our desire to know your powerful presence in all areas of our lives.

Amen.
