

National Youth Sunday 2024

Jeremiah 29:11 - Your Life, God's Direction

Creative Worship Elements by Nik Gameti

- Create a timeline of a life, from beginning to the end, have the congregation choose which options would be God's way for you to live your life.
(Example: go to church or brunch, help someone or walk away, etc.)
- Have an individual or the congregation put arrows around the church that point to the cross.
- Invite the congregation to share experiences in their lives where God has given them direction.
- Have coloring pages related to the theme (a compass, road signs, etc.) for the children to draw during service.
