

## **National Youth Sunday 2025**

### **Romans 12: 4 – 8, Embodying Our Gifts**

Invocation by Emily Van Pelt

**Good morning God,**

**Thank you for this time to worship you today. It is a special time for us to bring our gifts to you: our gifts of prophecy, service, teaching, encouraging, giving, leading and showing mercy. We know all good gifts come from you, God. Help us to learn more about the gifts you give us today and how we can share them for your kingdom. Amen.**
