

National Youth Sunday 2026

Light within Us, Matthew 5:14-16

Invocation

by Tyson Hall

Let us bow our heads in prayer.

Heavenly Father, thank you for bringing us together to worship and share your heavenly light to those around us. Allow us to learn how to let our light shine in our communities and jobs. We also ask that you allow our light to be shown through actions, kindness, and love so that others are able to see your goodness and give glory to you. Bless this time together and guide us to being your light in this dark world. In Jesus' name we pray, amen.
