

National Jr. High Sunday 2026
Jeremiah 29:11 - Your Life, God's Direction
Invocation by Nik Gameti

Dear God,

Join us today as we praise you in this church. Hear our prayers and lift our worries. Lord, let us praise you not only during this service, but also as we live your plan for us. We thank you for this life you have given us, and we pray that you guide us through every bit of it. We know that we need you to live a prosperous life. Be with us, at every decision we make whether it is small or large. In Jesus name we pray, Amen.
